Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Saturday 23 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wintry showers and sunny spells for Sunday. Cold.

This Evening and Tonight:
Rather cloudy with wintry showers during the evening for most areas. Then showers dying out to leave some clear spells and light winds throughout the night. Feeling cold with widespread frost for many. Minimum temperature -5 deg C (23 deg F).

Sunday:
A largely dry morning for the southern areas with sunny intervals. Wintry showers for the north spreading across the region for later and persists overnight. Another cold day, turning windy. Maximum temperature 3 deg C (37 deg F).

Outlook for Monday to Wednesday:
For Monday wintry showers for the north, dry elsewhere. Rather dry with long bright spells on Tuesday and clouds to develop overnight. Milder with outbreaks of rain for Wednesday.
